To Rich Czimer, Jr.,

During the past Christmas Season, 2 of my cards had the Biblical picture of "The Lion Lying down with the lamb", & Peace on Earth! I loved them, plus, I knew immediately I wanted to use one & blend it into something more personal & lasting - in connection with "ME, my Unusual health, and lion Meat!"

- Enclosed is a copy of what I designed. I think you will like it, & I give it to you

— IN APPRECIATION —

for you, and your Business' involvement when I was first introduced to Lion Meat in August, 1980, while a patient on the Clinical Ecology unit at a Chicago Hospital.

Also, — IN APPRECIATION —

for your personal understanding and concern - in seeing that lion meat is available for me to have access to it - on a constant basis. I greatly appreciate it!!

A Brief Synopsis: Soon after turning 48 in 1980, was when my Allergist first tried to get me admitted to The Chicago Hospital. He was told - There's a 7 month waiting period. He said "Mary, you won't be alive in 7 months if you don't get some help & changes, soon." After several more severe episodes, he was able to get me admitted in Aug., 1980. First, an 8 day fast, then lion meat was tried! Unbelievable! IT was the first meat I ever ate in the first 48 years of my life - that didn't make me sick - in any way, shape, or form! Amazing! I loved it! Well, guess what?! I just celebrated my 77th birthday in April!! And, I am healthier, & stronger, than what I was back then! I can only say - I guess, God, ME, & My Brain - must be doing something right - for all these extra years of life! Along with the help of the lion meat! When a person - "Natural Immune Deficiency" - as I do - you are affected by everything you do! Every moment, every hour, of everyday. You can't avoid its evils! We all need air, water, & food to stay alive, but - for ME, air, water, & food is what threatens to kill me! Yes, even with closing off of my air passages, at times. Life can be quite frustrating at times. I stay alive - with Prevention & Avoidance, therefore, having lion meat available - has enabled me to have greater "Peace" in my Body, My Life, & My Earth!!!

P.S. - The picture was designed in February already, but, had to wait for my April meat order to arrive - to have the different lion labels available to use in the pictures

God is so good! So, is the lion - for me!
Plus, I am so thankful - to you - for having lion available, and extending my life!

- Sincerely, Mary B. Jubile
